Report of the Event

The School of Architecture, CHRIST (Deemed to be University) Kengeri Campus, in association with the Intellectual Property Cell of CHRIST (Deemed to be University), organized a webinar on the Design patent filing procedure on 08 May 2021. Dr. Debabrata Samanta, Assistant Professor, Department of Computer Science, CHRIST (Deemed to be University) from the Intellectual Property Cell and Co-ordinator of IPR Cell, was the resource person for the talk. The resource person deliberated upon how to file Design patent-related paper works. The webinar was attended by about 11 faculties from the Architecture Department, CHRIST (Deemed to be University) Kengeri, Campus, and nine eighth-semester B.Arch degree students.

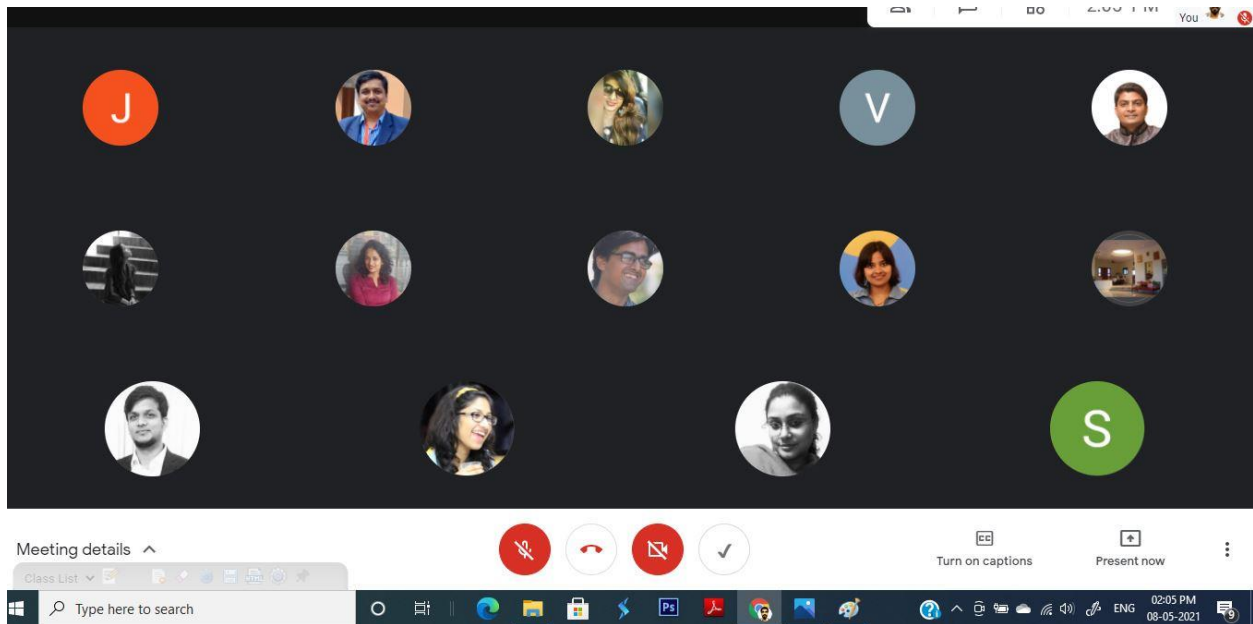

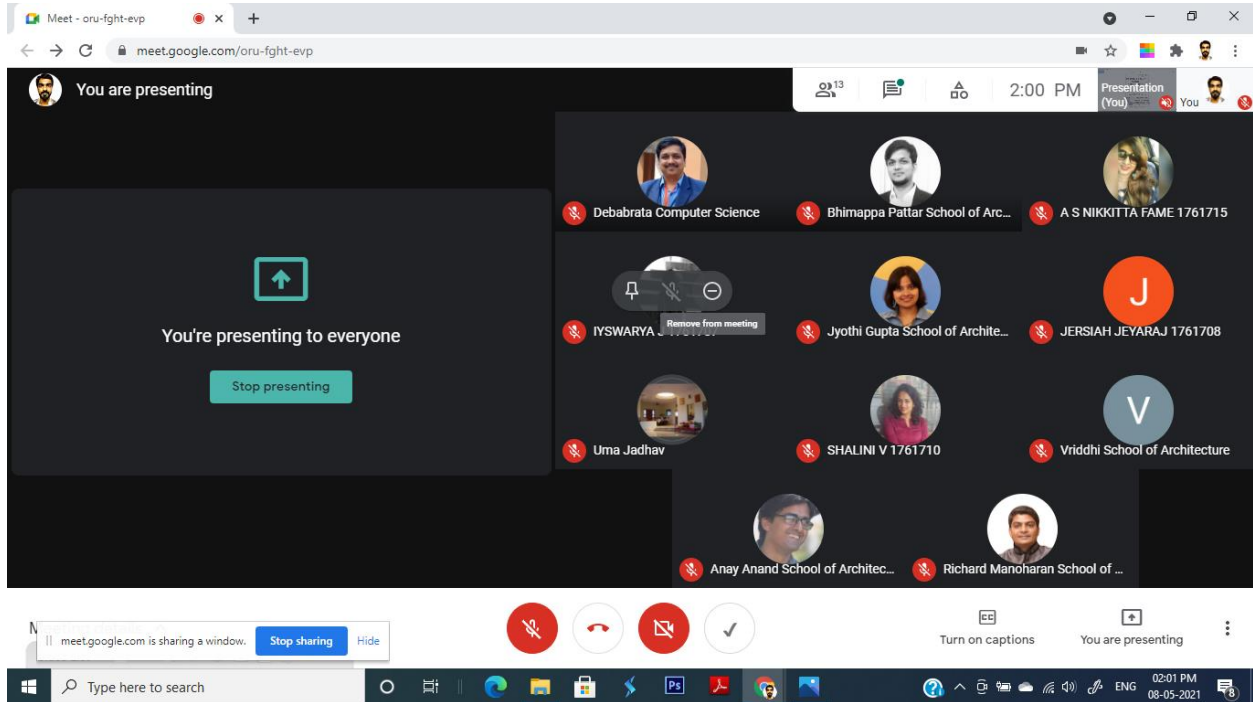

Students Ishwarya and Jershia anchored the event. The webinar began with an introduction to the resource person, Dr. Debabrata Samanta. Anchor briefed us about his experience and contribution to the role of consultancy, publications, and patents.

Dr. Debabrata Samanta addressed about patent filing procedure of IPR, especially for the Design patent. He briefed us about the various steps that are involved in the process of patent registration. He briefly explained each of the steps, including file preparation, Fee, number of views require for a product, duration of getting patent. He continued to explain the idea of copyright to produce, reproduce, publish and perform in all ways known and possible. After that a QA session was conducted, both students and faculties interacted with ultimate excitement.

Dr. Anitha Suseelan, HoD of the SOA, CHRIST (Deemed to be University), Kengeri Campus, thanked and acknowledged the resource person for his in-depth and insightful talk on the topic showing the various platforms. The session concluded with a vote of thanks to the resource person, and the participants for active involvement throughout the seminar.
